

Modular Cleat Storage Shelving System

Fast, easy mounting, pre-drilled holes make your project move fast.

Stack cleats as high as needed for multiple shelving.

Cleat height is 38"
Pegboard height is 23"

Top or bottom mount.
12" or 16" shelf depth

Each cleat comes assembled, screwed together and glued for strength. A neat, attractive storage system that's affordable and easy to use.
